Empower tomorrow. Join our GreenTech plant.

Steyr Automotive is a company in upper Austria, in the heart of Europe. We stand for highest production competence, modern infrastructure and, above all, highly qualified employees. Quality awareness, innovative spirit and teamwork are our philosophy.

We are establishing a competence center in Steyr for the mobility requirements of the future. The technological openness for sustainable drive concepts in synergy with over 100 years of experience in the development and production of commercial vehicles, are the basis of our vehicles from Steyr for the international market.

Thanks to our flexible production capacities, which can be ramped up quickly, we are, within the scope of industrial contract manufacturing, the partner for our customers.

We look forward to receiving your application:
